

GI Lightning Officiating Registration

Return to:
GI Lightning Basketball
2724 W. Anna Street
Grand Island, NE 68803

This form is for those men or women that wish to officiate youth basketball tournaments in Grand Island. Most of our games in Grand Island conclude within 45 minutes as we use a 16 minute running clock for most games.

The GI Lightning pays \$15.00 per game since they are very short, but you can still earn as much as \$150-225 per weekend depending on your physical shape.

The expectations for being a youth official in the Lightning tournaments will be very simple:

1. Be authoritative at all times. Keep control of the games.
2. Understand the basic rules of basketball and be consistent with your interpretation of those rules.
3. Call games tight. It is easier to loosen up then it is to try to get control.
4. Run the court. If you don't get into position to make a call, we will all be in for a long day.

Name _____

Years of Experience _____ Cell Phone # _____

E-Mail Address: _____

Home: _____ Address: _____
